Procedures and Timeline

 1. Review the fire incident information.
 2. Prepare a press release to be presented as part of a simulated press conference during competition.
 3. Make notes on a single 3" x 5" notecard. You may write on both sides. This notecard is the only item that may be brought in to the competition.

Competitors that arrive **ten (10) minutes** after their designated check-in time will be marked as no-shows and not be allowed to compete out of respect for the time commitment made by our judges and volunteers.
- **Pre-Event Briefing (5 min Time Limit)** After check-in, competitors will be guided to the designated event area. Once there, the moderator will provide a comprehensive briefing, detailing the event's instructions, rules, and procedures. This briefing ensures that each competitor is well-informed and prepared for the subsequent stages of the competition.
- **Presentation (5 min Time Limit)**
 - The competitor will be directed to the competition area where they will present their press release statement to a panel of judges
 - If the competitor has not completed their press conference when the 5 minute timer sounds, the competitor will stop presenting, and only the information presented verbally will be scored.
 - This event does not include a question and answer section.
 - The competitor will submit their notecard to the judge and leave the presentation room.
 - If the competitor concludes their prepared statement prior to the 5 minute timer sounding, they will submit their notecard to the judge and leave the competition presentation room.
- **Evaluation and Scoring (5 min Time Limit)** After the completion of the event, the judges will convene to assess each competitor's/team's performance based on a standardized rubric. This stage is conducted without the presence of the competitors. Judges will evaluate the criteria outlined in the rubric to ensure a fair and objective scoring process. Once all assessments are finalized, scores will be recorded for each competitor/team.
